At Girls on the Run of South Central Wisconsin, we **empower girls** to build confidence and activate their limitless potential.

## DEAR SUPERSTARS AND MOUNTAIN MOVERS,

I am thrilled to share Girls on the Run's 2024 Impact Report with you. I am enormously proud of the work we were able to accomplish this year with your support.

We used our "I CAN POWER" to bring more programming to every corner of our territory - and we put the wheels in motion to expand to 3 new counties in 2025! And I'm not just proud of the record number of participants we served, but it's the stories of impact that you'll read about in this report that really give me confidence that we're changing the world one child at a time.

In addition to celebrating the accomplishments of 2,263 participants and their 625 remarkable coaches, we also want to celebrate launching Unstoppable Us - a youth led fundraising program - and 2 new curricular experiences this year, "Hello, Superstar" and "Hello, Mountain Mover!" We're still focused on powerful research-backed lessons and activities that keep kids moving, but they have been updated and intentionally designed to better meet the needs of today's youth.

We take pride in celebrating our past accomplishments with you and we are excited about the year ahead. Thank you for your investment in our work!

**WARMLY,**

*Christine*

## Meet Madeline P, GOTR Alumni and Coach!

Some of my favorite elementary school memories come from my time as a Girls on the Run participant. It was a fun, supportive space where I met new friends, gained confidence, and discovered a love for running. My coaches played such an important role in that experience - they encouraged me, a shy, reserved girl, to step outside of my comfort zone, and their support helped me become more confident in group settings. That confidence carried through to middle and high school, where I joined the cross-country team and made friendships built on kindness and encouragement, values I first learned in Girls on the Run.

I reconnected with Girls on the Run as a junior coach during my senior year of high school, wanting to give back to a program that had given me so much. After graduating college and returning to Madison to start my career, I knew I wanted to get involved again. Coaching has been a great way for me to reconnect with the community at this new stage in my life. Over the past seven seasons, I've seen firsthand how this program empowers young girls, helping them build confidence and resilience. It's always special to see myself in the girls I coach and to witness their growth throughout the season.

**Madeline P.**  
**GOTR Alum 2007-2009**  
**Junior Coach 2016-2017**  
**Coach 2021-present**

2009

“My dad was always my running buddy, and his support pushed me through to the finish line. Now, as a coach, I have the privilege of being that running buddy for girls in the program, guiding and encouraging them just as my dad did for me.”

## Q&A with GOTR participant KK

**Q:** What did you like best about GOTR?

**A:** That everyone is so nice, they cheer you on and say kind things to help you achieve your goals.

**Q:** What did you learn from GOTR?

**A:** The breathing techniques they taught helped me to better control my emotions and manage my big feelings when they happen.

**Q:** What was your favorite part of GOTR?

**A:** The Energy Awards at the end of every practice

**Q:** Any other lessons you learned?

**A:** When it got tough and I wanted to give up, I always had coaches pushing me, supporting me, and believing in me, and that made me want to keep going.

**“During Zumba before the 5K, KK was front and center getting so into it and moving! She loved seeing a Zumba instructor that looked like her and was so motivated by her energy. Fast forward to gym class a few weeks later, our gym teacher had reached out to the Zumba instructor about coming in to run a class for our 5th graders. Crystal came in to lead a class and KK was again, front and center and present with so much energy! A lot of girls who would have normally been embarrassed or shy participated and many adults recognized that KK, being a positive and energetic presence, made others brave enough to try it as well!”**

**– Coach Shannon L.**

Coaching GOTR allowed me the opportunity to dedicate my time to a cause that directly benefits young girls. It has helped me gain valuable skills in leadership and communication. **GOTR is structured and provides a comprehensive training program and lesson plans, making it easy to facilitate.** These girls are learning life-changing skills.

Running the celebratory 5K with my family (daughter and husband) is a great way to bond, create shared memories, motivate each other to develop healthy habits, and it's a sense of accomplishment.

— **Coach Tina S.**  
**Parent of GOTR participant**

”

Kendall loved the practices, but was worried about running the 5K. She did great, and was smiling the whole time, even in the rain!! I remember her saying how much fun she had!

— **Coach Chelsey T.**

”

Maya was a little anxious at the beginning of the season but she came out of her shell and really pushed herself, especially during the 5K. It was a tough effort but she ran with her heart (and the wisdom of several GOTR lessons) and was so proud to finish the 5K.

— **Coach Shannon R.**

# Thank You, Donors, Sponsors, and Community Partners!

Financial partners are the lifeblood of our programs. Roughly 50% of our budget depends on charitable investments. Girls confidence and physical activity drops dramatically between ages 9 and 10. Yet in 2024, our financial supporters made it possible for us to build the joy, health and confidence of 2,000 families across 25 school districts. With our financial partners by our side, more girls in South Central Wisconsin are confidently and boldly pursuing their dreams.
