“Because I am a Girl on the Run, I know that I am a SUPERSTAR!” - Kamani, age 10

“At Girls on the Run, I learned that no matter what I look like, I will always be UNIQUE. I also learned to be kind and nice.” - Isabelle, age 10

“ At Girls on the Run, I learned that you can include people when others aren't. Feeling our emotions can calm us down. Sometimes you need to stop and take a breather.” - Emerie, age 9

Your support goes directly to Girls on the Run Greater Chesapeake Girls who need it most!

Studies show that 3rd through 8th grade is a critical time for girls. Their self-confidence begins to drop **by age nine. 50% of girls ages 10 to 13 years old experience bullying.** At an age when girls are constantly trying to measure up to ideals of who they should be when they're still discovering who they are, **Girls on the Run shows them that their potential isn't just enormous, it's beyond measure.**

An independent study found that the Girls on the Run's intentional life skills curriculum, delivered by highly trained coaches, positively impact girls' lives by **helping them learn critical life skills such as making intentional decisions, managing emotions, resolving conflict and helping others.**

Girls on the Run's mission is to inspire girls to be joyful, healthy, and confident using a fun, experience-based curriculum integrating social-emotional learning, life skills, and physical activity **to enhance girls' social, psychological and wellbeing.**

Over the course of a ten-week program, trained coaches lead small teams through dynamic discussions, activities and physical movement. Our program culminates with girls positively impacting their communities through a service project and being physically and emotionally prepared to complete a celebratory 5K event.

Our History

Girls on the Run of the Greater Chesapeake was founded in 2005 in Anne Arundel County and has since grown to **serve over 23,000 girls** across Baltimore City & County, Anne Arundel, Calvert, Charles, Queen Anne's, Kent, Talbot, Caroline, Dorchester, Somerset, Worcester, Wicomico, and St. Mary's counties. Last year, we served 2,612 girls and created over 100 Community Impact Projects. With the help of generous sponsors, funders, and donors, we were able to **provide financial assistance to over 63% of our program participants** who otherwise may not have been able to participate in Girls on the Run.

As we **celebrate our 20th anniversary**, our goal is to serve over 2,800 girls this year and help each participant know and activate their limitless potential.

Sponsorship Opportunities

5K Events

Each season ends with a joyful and fun 5K celebration. This culmination of the season's 10-week program gives girls a tangible sense of accomplishment and the confidence to be the authors of their stories. You have the opportunity to be a 5K sponsor for the fall, spring, or both seasons.

Program

Make a direct impact on a team of 15 girls at one site! Each year we receive site applications from Title 1 schools that serve a majority of students who receive a free or reduced lunch. Many participants from these schools qualify for scholarships through Girls on the Run of the Greater Chesapeake, enabling them to take part in our life-changing program. Through your program sponsorship, you'll remove barriers to participation and ensure program access.

Special Events

You can be a part of one of our signature events, such as our Limitless Potential Breakfast or Golf Tournament, to help raise critical funds so that all girls have access to the Girls on the Run program.
