

Girls on the Run and Heart & Sole Programming

Girls on the Run RI is a local non-profit dedicated to inspiring girls of all abilities to strengthen confidence, character, care for self and others, connections, and creativity through dynamic lessons and physical activity. As such, we rely on program fees to support our operations and to ensure all girls in our community can participate. A team sponsor desires to support a Girls on the Run Team (for 3rd-5th graders) or Heart & Sole Team (for 6th-8th graders) in a valuable and unique way. As someone who shares our passion for inspiring girls to be joyful, healthy and confident, we are hopeful that you may consider "adopting" a team this Fall season.

We will gratefully provide a tax letter for your records should you choose one of the options below.

Adoption Levels & Benefits

PUMP UP POWER ADOPTER:

For \$250, your business/club will provide curriculum and coach supplies for one team for an entire season. In return, you'll receive a certificate with an end of season report and photo of your adopted team, along with a Girls on the Run thank you gift.

I CAN POWER ADOPTER:

For \$450, your business/club will provide running shoes for an entire team of 15. In return, you'll receive a certificate with an end of season report and photo of your adopted team, a Girls on the Run thank you gift, the chance to cheer them on at their end-of-season 5K, and recognition on social media during the season.

STAR POWER ADOPTER:

For \$850, your business/club will provide support for a team's celebratory 5K experience, including the cost to cover bus transportation and 5K Buddy registration. In return, you'll receive a certificate with an end of season report and photo of your adopted team, a Girls on the Run thank you gift, the chance to cheer them on at their end-of-season 5K, and recognition on social media before and after the 5K.

HELLO MOUNTAIN MOVER ADOPTER:
